MEMORANDUM FOR UNDER SECRETARY OF DEFENSE FOR ACQUISITION,
TECHNOLOGY, AND LOGISTICS

SUBJECT: Strategic Environmental Research and Development Program Scientific Advisory
Board – Membership Balance Plan and Charter Renewal Approval

The membership balance plan (TAB A) and the renewed charter (TAB B) for the Strategic Environmental Research and Development Program Scientific Advisory Board (“the Advisory Board”) are approved. A copy of the Advisory Board’s charter will be provided to the Advisory Board and its Designated Federal Officer (DFO), once my Advisory Committee Management Officer (ACMO) files the charter with the Library of Congress, the Congressional oversight committees, and the General Services Administration.

As part of the charter renewal process, this office, in consultation with the Office of General Counsel of the Department of Defense (OGC DoD), has affirmed that all individuals appointed to the Advisory Board, once approved by the Secretary of Defense, shall be appointed to serve as special government employee (SGE) or regular government employee (RGE) members, as appropriate. The following points apply:

- (a) Individual members approved for appointment or renewal by the Secretary of Defense, who are not full-time or permanent part-time Federal officers or employees, shall be appointed as experts and consultants, under the authority of 5 U.S.C. § 3109, to serve as SGE members. Those who are full-time or permanent part-time Federal officers or employees shall be appointed to serve as RGE members.
- (b) Each representative member shall be notified, in writing, of the Secretary of Defense approval decision. In preparing your appointment or renewal of appointment letters, the Advisory Board’s DFO should consult the ACMO and OGC DoD, to include the Standards of Conduct Office. At a minimum, the letters shall contain the following:
 - i. Notice that their appointment to serve on the Advisory Board is without compensation, with the exception of official travel and per diem.
 - ii. A statement that they are appointed to serve as SGE or RGE members, as appropriate.
 - iii. An explanation of the difference between serving as SGE and representative members.
 - iv. A summary of the applicable ethics requirements, to include whether SGE members are required to file a Confidential Financial Disclosure Report.

As the Advisory Board’s DoD Sponsor, you are responsible for:

- (a) Ensuring that the Advisory Board's DFO attends all Advisory Board and subcommittee meetings for the entire duration of each and every meeting.
- (b) Ensuring that the DFO and the Advisory Board fully comply with all governing Federal statutes and regulations, to include DoD Instruction 5105.04, "Department of Defense Federal Advisory Committee Management Program."
- (c) Ensuring that all work done by the Advisory Board and its subcommittees is based upon written tasks or terms of reference assigned to the Advisory Board by the Secretary of Defense, the Deputy Secretary of Defense, or you, as the DoD Sponsor. All tasks or terms of reference are subject to public review and, at a minimum, shall include:
 - i. A description of the problem or policy to be analyzed and the DoD decision maker for the matter(s) under consideration.
 - ii. Authority for the members of the Advisory Board or its subcommittees to access DoD officials and DoD data that is pertinent to the matter(s) under consideration.
 - iii. A budget limitation under which the Advisory Board or its subcommittees must operate.
 - iv. A date by which the Advisory Board or its subcommittees must submit its written conclusions (advice and recommendations) to the DoD decision maker.
- (d) Providing adequate support to the Advisory Board and its subcommittees, and ensuring that the Advisory Board and its subcommittees are not unduly or inappropriately influenced by Federal employees or any special interest group.
- (e) Ensuring that all visits to DoD installations or facilities by members of the Advisory Board and its subcommittees are done in consultation with the Secretaries of the Military Departments or the Chairman of the Joint Chiefs of Staff, as appropriate.
- (f) Ensuring that all members of the Advisory Board and its subcommittees are appointed according to DoD policies and procedures. No member will participate in any work by the Advisory Board or its subcommittees until all of the following have been completed: the member completes and submits to DoD all personnel and ethics paperwork required for his or her appointment; the appropriate DoD offices process the individual's personnel and ethics paperwork; and the individual takes the oath of office for his or her appointment.
- (g) Ensuring that all DoD and other Federal Agency documents provided to the Advisory Board or its subcommittees are properly marked according to governing statutes, regulations, and DoD policies and procedures.
- (h) Monitoring the implementation status of any recommendation adopted by the DoD or the Congress, and ensuring that this information is available for future inquiries.

Based on the Secretary of Defense's memorandum of October 9, 2012, concerning advisory committees, we recommend you continually reevaluate the Advisory Board's functions and reduce, where appropriate, the Advisory Board's operating costs. As the Secretary indicated, we must continually assess our advisory committees to ensure they deliver appropriate value today and in the future as times and requirements change.

If you should have any questions about this DoD Program, the Federal governance and compliance requirements, the charter reestablishment, or the membership balance plan, please contact the ACOMO, Mr. Jim Freeman, at 703-692-5952, or by email at james.d.freeman4.civ@mail.mil.
